Ready, set, blast off!! Get ready for some high-flying fun!

- Newly registered Scouts receive a free rocket. They will be distributed at the event.
- If you no longer have your original rocket, please reach out to Jennifer no later than March 15th and the Pack will order them.
- Engines are provided by the Pack and each Scout can launch twice.
- Do not purchase the rocket yourself - the launch kits are very specific.

This is a come and go event. Please be aware that there are no restrooms on site, as we will be launching in the fields around the parking lot.

This is also a weather dependent event. If it is too windy or rainy, we can not launch. Just in case, we have a back-up day planned for May 8th.

We appreciate your participation! As you know, fundraising is critical to the success of our program & offsets the cost of your enrollment fee.

This year we are partnering with Charleston Wrap. You can share your Scout's fundraising page via email and social media, and all orders are shipped directly to your customers.

To register your scout, visit www.charlestonwrapstore.com and use Organization ID 22115.

You will receive an email with your Scout's "Participant's Code". You will access your account by entering that code into the "Returning Participant Login."

The fundraiser runs from today through March 22nd. We ask that you set a goal of at least \$300 in sales per Scout.

And we can't forget the prizes!! Click here for details.

This year we offered families the opportunity to pay \$100 to opt-out of the fundraising. If you would prefer this option, you can still do so by submitting payment here. <https://registration-58260.cheddarup.com>

Cub Scouts is a volunteer led organization that relies on committed leaders to deliver our program. Looking ahead to the 2021-2022 year, we need several volunteers in a variety of positions.

Cubmaster

Assistant Cubmaster(s)

Tiger and Wolf Den Leaders

Pinewood Derby Coordinator

Blue and Gold Coordinator

Fundraiser Coordinator(s)

I know Cubmaster seems like a big job, but this is a team effort, and you can rely on the other Leaders for support and assistance.

The Pack would like to identify these up-and-coming Leaders before our year ends. If you are interested in learning more, please reach out.
